RE: PSC Case No. 2001-00384
Hemphill Site No. 1338
Hemphill Site Name: Nancy, KY

Dear Sir:

On January 10, 2002, Third Kentucky Cellular Corporation (d/b/a Wireless 2000 Telephone and NorthStar Technology, LLC) made application seeking a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility. The Public Service Commission granted the Certificate of Public Convenience and Necessity on April 10, 2002.

This is to advise that the initial applicants have not collocated on the telecommunications facility. Hemphill Corporation plans to construct the facility and Bluegrass Cellular will collocate on the tower.

Sincerely,

Sherry J. McFee
Project Manager
